

MSA ENGLISH RALLY CHAMPIONSHIP

BTRDA Ltd will organise and promote the **2018 MSA English Rally Championship** sponsored by *MAXXIS Tyres*. The Championship will be run in accordance with the General Regulations of the Motor Sports Association (MSA) and these regulations. It is open to all competitors holding a minimum of a National B Competition Licence. Championship Permit No **2018 / 008** has been issued by the MSA.

The **MAXXIS MSA English Rally Championship** is open to all vehicles that comply with the 2018 MSA Safety and Technical Regulations for Special Stage Rallies.

The *MAXXIS* MSA English Rally Championship includes a selection of the best one-day forest stage rallies in England, plus a mid-season visit to Mid Wales for the Nicky Grist Stages. The final points tables will be based on competitors best 5 scores. This gives competitors some flexibility to fit the events around family or business commitments, or to recover from an expensive car problem. If through 'force majeure' any of the qualifying rounds cannot take place the BTRDA reserves the right to either include another event on the same date or to alter the number of scores to count.

SCORING

The scoring system will reflect achievement against other registered competitors in the same vehicle class and the level of Championship competition in that class.

The allocation of Championship points will be based on the final results of each of the qualifying events.

The points will be published on the Championship website www.englishrally.co.uk as soon as possible after each event. Queries should be addressed to any of the named Championship Officials. Subject to no protests being received, these points will become final 7 days later. Similarly, at the end of the year, the Championship points will become final 7 days after the provisional points are published on the website.

Points in each class will be allocated as follows: -

20 points to the highest placed registered driver/co-driver in each Championship class, 18 points to the second placed registered driver/co-driver in each Championship class, 17 points to the third and so on down to two points for the 18th placed driver / co-driver and every subsequent driver / co-driver in the class that finishes the event. One point will be awarded to every non-finisher.

For the **overall MAXXIS MSA English Rally Championship** an additional point will be awarded for each Championship contender beaten in the class, up to a maximum of 5 points.

EG: If Class 7 has 4 registered competitors and Class 2 has 8 registered competitors

The winner of Class 7 would score $20 + 3 = 23$

The winner of Class 2 would score $20 + 5 = 25$

Any ties will be decided in favour of the competitor with the greatest number of maximum scores within their best six scores. In the event of a further tie the greatest number of second highest scores shall decide and so on. Should this fail to resolve the tie then reference will be made to whoever has the fastest time on the first stage of the last event on which the competitors who have tied, took part. If this fails to resolve the tie, then joint awards will be presented.

Competitors must display a BTRDA sponsor panel on either side of the car which will include the **MAXXIS MSA English Rally Championship logo**. Once a competitor has registered for the Championship it is not possible to de-register. Even if Championship decals are removed, either member of the crew may still be counted as a registered competitor for the allocation of points, even though they may not be awarded any individual points.
